LSU SATURN WITH MAXUS CHAIR

LSU Saturn

Chairside Work Area

The top offers 500 Square inches of chairside work area that measures 22" x 24".

Extra Work Area

The full extension pull-out work tablet offers an additional 133 square inches of chairside work area.

Chairside Storage

Large capacity drawers offer over 840 cubic inches of chairside storage space.

Positioning

The glide bracket with 15 inches of travel parallel to the chair allows the unit to be positioned within easy reach of the operator.

Quick Change

The removable top allows for replacement if damaged or quick change in decor.

Durability

The unit is constructed of 3/4" cabinet grade plywood for durability and to retain its integrity for the life of a practice.

Full Drawer Access

Durable drawers constructed of Baltic Birch, UV sealed and installed using 100 lbs. full extension ball-bearing glides for smooth operation and full access.

XL Instrument Package

High volume evacuation assembly, saliva ejector assembly, solids collector, three-way quick-change syringe assembly, dry hand piece assembly, disc type foot control, air & water filter/regulators, and master on-off switch.

Colors

Available laminated in over 150 Wilsonart standard colors. Other colors optional.

Also available with
Optima Chair, Over Carpet Base
& Power Base.
