

Sirius LED Task Light

Features:

- Aircraft Grade Aluminum Housing
- Gooseneck with Rubber Coating
- Anti-microbial Powder Coating
- Four LED Bulbs
- 70,000 Hour Bulb Life
- 1800 Candlepower @ 18"
- Infinite Dimming Capability
- Rectangular Light Pattern
- "Natural" White Light Illumination
- Detachable Power Adapter
- 3 Year Warranty
- Pole or Unit Top Mounting

MSRP \$895.00

Specification		Description
Weight	5 lbs.	Shipping Weight
Dimensions	57 Inches	Overall Total Length
Voltage	120 Volts AC	Detachable Power Supply
Current	750mA	Current Drawn by LEDs
Beam Angle	22 Degrees	The angle of the cone beam emitted from the head assembly
Mounting	Pole or Unit top	Specify one or the other
Power Supply	15 V - 1.2 A	Detachable Power Supply
Output Lux	3767-19375 Lux	Variable intensity output
Output Candlepower	350-1800 Candlepower	Measured at 18" from the lamp head
Operating Life	70,000 Hours	Expected LED lamp life
Lenses	Glass Optics	Uniform spot beam with sharp boundaries
Light Source	4 LEDs	Packaged in a single heat-sinking module
Surface Treatment	Antimicrobial	Anti-microbial Powder coated head
Max Temperature	40 Degrees Celsius	Maximum operating temperature
Color Temperature	4500K	Cool white color excellent CRI
Lamphead Material	Aircraft Grade Aluminum	Allows unit to be much brighter than plastics
Warranty	3 Years	Manufacturer Standard
Colors	Black	Additional colors in the future
Beam Pattern	Rectangular 3.5*5.0	Measured at 18" from the lamp head
Working Distance	18-24"	For Maximum light properties
